Sodastream fizzi one touch white

Do you have a downloadable instruction manual available? Download the manual here. What are the differences between the ART, TERRA, One Touch, and Aqua Fizz Sparkling Water Makers? The ART Sparkling Water Maker celebrates the art of making your own fresh sparkling beverages at home. With a push of the lever, turn flat water into fresh sparkling water and customize it to your liking. TERRA is an extremely convenient Sparkling Water Maker. The new quick connect patent-pending technology makes your cylinder connection easy and intuitive, and the updated modern design along with a bigger carbonation button make bubbling quick and easy. The TERRA also comes with an easy-to-clean, dishwasher-safe carbonating bottle. The One Touch™ is our electric model. It has 3 sparkle presets for automatic carbonation levels, so everyone in the family can easily prepare sparkling water to their taste. The Aqua Fizz™ is our premium model, and features a dishwasher safe glass carafe that's perfect for hosting friends and family. I want to place an order. Can you provide me with payment and shipping information? We accept Credit Cards (American Express, Visa, Discover, Mastercard), PayPal* and Apple Pay. *PayPal is not available for cylinder exchange orders. If your order is \$50 or above you'll qualify for free shipping (sweet!). If your order is below \$50, free shipping isn't available. As soon as you place your order, we get right down to bubble business! Orders are processed within 1-2 business days, and once processed and shipped, your order should arrive within 3-5 business days (your order will arrive between 4-7 business days from the time of placement). Sadly, we do not currently offer expedited shipping options. Additional Notes: *During Holiday and Peak shipment times, your order should arrive in 7-10 business days. We do not ship to PO Boxes, APOs, Puerto Rico, Alaska, and Hawaii. This site is specific to orders placed in the US, and we do not offer international shipping. Please refer to your country's SodaStream website to purchase locally. Signature is not required upon delivery. All packages will arrive in a box that is branded SodaStream, and our product is always shipped with a packing slip, without listing prices. Can't find the answer? Contact our Sparkle Support team or call us at 1-800-763-2258 (M-F 9 a.m.-5 p.m EST). What are your return and cancellation policies? We back our bubbles! If our products do not meet your satisfaction for any reason, we offer a 30 day money-back guarantee on all of our products purchased on SodaStream.com for the actual purchase price. We process orders quickly, but if you need to cancel or change an existing SodaStream.com order, give our Customer Service team a call at 1-800-763-2258 (M-F 9 a.m.-5 p.m EST) and we will do our very best to accommodate before your order ships. We can usually accept such requests made within an hour from time of purchase. Additional Information: Valid on www.sodastream.com purchases only. SodaStream does not refund initial or return shipping charges. Unauthorized returns or CODs will not be accepted. Products purchased between November 1 and December 31 may be returned through January 31. Do SodaStream products come with a warranty? Sure do! All SodaStream Sparkling Water Makers have at least a 2-year limited warranty, valid from the purchase date*. If your product malfunctions within the warranty period, and we determine the product is due to faulty workmanship or materials, SodaStream will cover the return shipping and send you a replacement of new or comparable value, free of charge. Additional Information*: The exact length of coverage depends on the Sparkling Water Maker that you own. We offer a 3-year limited warranty for Sparkling Water Maker purchases from sodastream.com. For purchases in retail or from other online vendors, please check your Sparkling Water Maker user manual for more warranty information. Warranty Limitations: This warranty is given on the condition that the machine has been correctly used strictly in accordance with SodaStream instructions as detailed in your Sparkling Water Make user manual. Purchases from retail or online trade partners: DO NOT RETURN PRODUCT TO THE STORE. So long as you have the original or a copy of your sales receipt, our Customer Service Team will gladly assist you with any product issues. For easy service, it is recommended upon purchasing at retail that you register your Sparkling Water Maker on our site.
